Welcome to our Auction of Promises

We are delighted to welcome you to our annual Auction of Promises. After another brilliant year, the indoor programme has grown to 6 indoor teams playing across the county and region. Funds raised tonight will help us to sustain the increasingly popular summer programme and get more members involved. Next year we have even bigger plans to introduce more junior squads, maintain our two team entry to the prestigious East Indoor Championships and hopefully reach our goal to compete at national league level.

Thank you for supporting us and we hope you have a great evening bidding on the fantastic promises we have up for grabs tonight!
